Dear Mr. Ng:

Decision: 2012 – 785 A-C

This is in reference to the **BFG Forged 51°, 55° and 59°** wedges, received on November 27, 2012, which you submitted for an official ruling. These are forged wedges with two recessed circles on the back and three lines on the hosel.

Please be advised that the wedges, as submitted, have been evaluated and it has been determined that they conform to the Rules of Golf.

This ruling applies only to the samples submitted and any clubs manufactured identical to them. This ruling does not apply if there is any change in the design, manufacture, material or construction of these particular clubs. If a club of similar design, with identical markings is acquired from any source and found to fail USGA standards, the conformance status of these clubs will be reviewed.

In advertisements of the **BFG Forged 51°, 55° and 59°** wedges, you are authorized to make the statement: "**Conforms with USGA Rules.**" Use of the USGA seal or logo, and/or statements such as "USGA Approved" or "USGA Tested" is prohibited.

We are retaining the samples as a record of this decision.

The USGA reserves the right to change the Rules and interpretations regulating equipment at any time.

Sincerely,

A handwritten signature in cursive script that reads 'Dick Ruge'.
